Christmas Club Checks Soon

Clanging cash registers in the stores and mountains of gay packages in homes throughout California this Christmas season are indicated by Bank of America's 1959 Christmas Club figures announced by the bank today.

H. G. Frenzt, manager of the Torrance branch, said 2900 local residents have saved \$300,000.00 between them to-

ward their Christmas festivities. All together the bank will mail checks totaling \$69,250,000 to approximately 533,000 thrifty Californians in mid-November.

The statewide figures are up from last year by more than three and one-half million dollars and 16,000 accounts.

Distribution is made in November to enable customers to do their Christmas shopping early. The Christmas Club also is used by many savers as a source of ready cash for winter vacations or end-of-the-year expenses such as insurance and tax payments.

Pastor Goffar to Attend Medicine-Religion Session

Pastor Glenn L. Goffar of Torrance Seventh-day Adventist Church will attend a unique three-day conference on medicine and religion at Colorado Nov. 20-22.

More than 350 physicians and 150 ministers will attend the conference at the Dol Coronado Hotel near San Diego, to discuss the role of religion in medicine and to hear addresses by religious and medical leaders on the subject.

Pastor Goffar will participate

in discussion groups on specific subjects within the broad area of religion and medicine which are of special interest to him during the conference.

AMONG addresses presented during the conference will be "Moral and Ethical Aspects of Hypnosis," by Dr. Jack Provonsha, instructor Division of Religion, College of Medical Evangelists; and "The Healing Power of Prayer," by F. W. Schnepfer, president of the Pacific Union Conference of Seventh-day Adventists.

Purpose of the conference, according to Pastor Goffar is "to give new insights to both clergymen and physicians into the deep and abiding interrelationships between religion and medicine."

THE CONFERENCE will be keynoted by an address entitled, "The Healing Power of Love," by D. L. Olsen, Pastor of Florence-Downey Seventh-day Adventist Church. Physicians and ministers attending will be from Los Angeles, Santa Barbara, and Ventura counties.

The conference is sponsored by the Southern California Conference of Seventh-day Adventists.

RESUMES PRACTICE . . . Phillip C. Gill, who has completed a tour of Europe, has resumed practice of law here in the offices of Newborn and Hitchcock, 2211 Torrance Blvd. Gill was graduated from Torrance High School with the Class of '49, from Stanford in 1952, and from the Stanford Law School in 1957. He opened his practice here in 1957 after being admitted to the California Bar.

President of Civic Group Lauds Hahn

Supervisor Kenneth Hahn this week was commended by the North Torrance Civic Improvement Association for his "untiring efforts in securing improvements" in the area, particularly improvement of Dominguez channel.

In a letter to Hahn, Mrs. Margaret H. Clark, president, North Torrance Civic Improvement Assn., stated that the present improvement of the channel between Gramercy Pl. and Redondo Beach Blvd. "not only will benefit this area by eliminating tragic flood conditions, which we have experienced in the past, but will do away with an unsightly eye sore and hazard to the life and health of the children of our community."

She pointed out that the channel is now being widened, deepened, the sides and bottom lined with reinforced concrete, and the channel right of way fenced.

Hahn explained that the present project is the third in a series of major improvements to the important flood control channel to be constructed and that plans are now being drawn for improvement and widening of the channel from Redondo Beach Blvd. to Compton Blvd.
